To all our valued Customers

RE: BARLOWORLD POWER PERKINS PARTS INCREASE

We wish to inform you that due to major currency movements over the past few months, it has been difficult for Barloworld Power to maintain its current parts pricing. As a result, a parts price increase will be effective on the 1st July 2013.

We would also like to take this opportunity to advise you that we are moving to new premises as of the 10th July 2013. The new address for the Barloworld Power Perkins office is:

149 Rover Rd
Rustivia
Johannesburg

Our P O Box address remains unchanged at:

P O Box 762
Boksburg
1460

We apologise for any inconvenience that may be caused due to the move. The new telephone and fax numbers will be communicated shortly.

Storage of Perkins parts and engines will remain in our Boksburg facility.

Thank you for your continued support.

Regards

Anesh Moonsingh
